The Fichtner Code of Conduct stipulates that all employees are obliged to inform the company of any actual or suspected misconduct. There are internal regulations that govern the handling of such reports.

Fichtner also urges all outsiders to report any suspected or actual misconduct to the persons designated for that purpose. Reports to the External Compliance Officer of the Fichtner Group can also be made anonymously. Reporting any misconduct will not lead to any reprisals against the whistleblower. Fichtner will not tolerate retaliatory acts by staff or third parties against whistleblowers. Fichtner implements 'Directive (EU) 2019/1937 of the European Parliament and of the Council of 23 October 2019 on the protection of persons who report breaches of Union law'.
